Description

The Cotton Jersey Liner with Nitrile Coating HS201(SC) (<https://karamonline.com/cotton-jersey-liner-with-nitrile-coating-safety-cuff-gloves-hs201-sc>) is a durable and comfortable glove designed for various working environments. Featuring a nitrile fully coated exterior and a soft cotton cut-and-sewn jersey liner, it offers superior protection and comfort. The glove's safety cuff ensures a secure fit, while the distinctive blue and white color combination enhances its aesthetic appeal. With exceptional grip and performance in dry, wet, and oily conditions, this glove is perfect for industrial and maintenance tasks, providing both reliability and protection for hands in demanding environments.

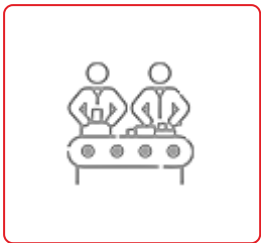

Warranty: 1 year from the date of invoice against any manufacturing defects.
