Description

KARAM ES 005 is designed for users who need rugged protection with flexibility. Its minimalist frame design combines visual clarity with essential safety features like a wide lens surface and extended side shields. Built from durable polycarbonate, it guards against impact while allowing a full range of vision. Ideal for general industrial environments, packaging, and logistics, this eyewear keeps you safe without weighing you down. Its simple yet thoughtful design ensures day-long comfort for workers who move fast and work harder.

Warranty: 1 year from the date of invoice against any manufacturing defects.
