Description

Introducing our Arm Sleeves Cotton Natural White FT701

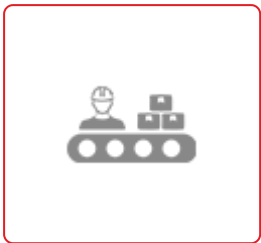

(<https://karamonline.com/arm-sleeves-natural-white-ft701>), crafted from natural cotton for a cool and comfortable fit. Featuring a double ply seamless knit construction, these sleeves provide a snug yet flexible feel. They offer moderate protection against minor scrapes and abrasions, making them ideal for various tasks. Laundryable for extended life, these sleeves help reduce replacement costs, ensuring lasting durability. Available in a convenient 14-inch length, they are perfect for use in automotive, sheet metal fabrication, manufacturing, and the recycling industry. Enhance your work experience with reliable protection and comfort in every application.

Warranty: 1 year from the date of invoice against any manufacturing defects.
