Description

Introducing the Frontier Crinkle Latex Palm Coated Green Gloves FT401 (<https://karamonline.com/grip-and-general-purpose-green-gloves-ft401>) – your go-to choice for hand protection (<https://karamonline.com/hand-protection>). These Safety Hand Gloves (<https://karamonline.com/hand-protection/safety-gloves>) feature a 10 GG cotton composite shell with a latex crinkle palm coating, ensuring flexibility and comfort. Designed for excellent grip in both dry and wet conditions, they also feature an open back to reduce perspiration build-up. The elasticated wrist provides a secure fit, making them ideal for various tasks, including handling bricks and tiles, waste collection, construction, plumbing, and logistics. Certified to EN 388:2016, these latex-coated hand gloves offer reliable protection for every job.

Warranty: 1 year from the date of invoice against any manufacturing defects
