Description

Introducing the Frontier Polyurethane Palm Coated White Gloves FT404 (<https://karamonline.com/grip-and-general-purpose-white-gloves-ft404>), designed for optimal hand protection (<https://karamonline.com/hand-protection>) and comfort. These lint-free gloves feature a 13 GG polyester shell with a durable polyurethane coating, ensuring excellent abrasion resistance. The seamless liner provides unmatched comfort, while the breathable back keeps hands cool during extended use. With an elasticated wrist, these gloves offer a secure fit for various tasks. Certified to EN 388:2016, they are ideal for general handling, packaging, small component assembly, and product inspection in various industries. Elevate your safety with our reliable PU coated gloves for all your hand protection needs.

Warranty: 1 year from the date of invoice against any manufacturing defects.
