Description

Ideal for use in general working conditions. Consists of contrast color lining for an added look good factor to the workwear for senior executives in the company. The usage of 500 cd/lux reflective tape which does not degrade on every wash cycle is an added advantage. Designed for an excellent fit and comfort of wear for longer durations, the premium range of workwear has been manufactured to the highest level of garment manufacturing standards with 5 thread overlock and stress points are bar tacked reinforced for increased tear strength. The coverall fabric conforms to the highest level of color fastness, seam slippage and tensile strength in its category.
