Description

The ESA01 Spectacle Belt-Carrying Case is designed for convenience and protection. Featuring a rear band that easily loops over the wearer's trouser belt, this case allows for quick access while keeping your spectacles safe and handy when not in use. The soft inner lining prevents scratches on the lenses, ensuring your eyewear stays in top condition. Additionally, the case comes with a soft cotton lens-wipe, available in different colors, to maintain lens clarity. Ideal for keeping spectacles protected and easily accessible throughout the day.

Warranty: 1 year from the date of invoice against any manufacturing defects.
